

Military Student Identifier

More than 90% of school-age military-connected students in kindergarten through grade twelve are in public schools. For the first time in the history of our Nation, the military-connected student is recognized in education policy.

The Every Student Succeeds Act (ESSA) includes a requirement that districts identify any military-connected children enrolled in their schools.

Military-connected children are defined as those with a parent or guardian who is a member of the Armed Forces on active duty. Please indicate below if your child has a parent/guardian who is on **active full-time military duty** in the Army, Navy, Air Force, Marine Corp, or Coast Guard including full-time National Guard or Reserve duty.

Child's Name: _____ Grade: _____
