

PENN CAMBRIA SCHOOL DISTRICT

Excellence in Public Education

September 7, 2011

Dear Parents,

Effective with the 2011-2012 school year, Penn Cambria School District will be using a program called MMS Gradebook to provide online access to student grades instead of Classroll.com.

Directions for how to create a parent account will be provided in the very near future.

However, before you can create a parent account in the new system, we must first enter a valid parent email address into our database.

Student accounts have already been created and user name and password information has been provided to your child. You can view the online grade book together with your child at this time by asking him/her to login from home.

If you would like the ability to create a parent account for the MMS Gradebook system, please complete and sign the form below and return it to your child's homeroom teacher.
