

College Opportunity for PCHS Seniors in the Class of 2020

Are you interested in taking a college course at Mount Aloysius College during the 2019-2020 school year? A partnership between Mount Aloysius and the Penn Cambria School District will allow you the opportunity to attend Mount Aloysius in Cresson and take a course or two at a discounted cost. You must meet these basic requirements to be eligible:

1. Have all graduation requirements completed or scheduled at Penn Cambria
2. Have an overall grade point average above an 85%
3. Provide your own transportation to and from Mount Aloysius
4. Pay the reduced tuition cost of \$250/credit or \$750 per course (approximately 70% savings)

Students can take courses in place of 1st or 4th period electives, enroll in a class independently after the PCHS school day, or schedule an online course. A list of possible courses for the **Fall of 2019** is listed below. Please note that individual options may vary based on courses scheduled at PCHS to meet your graduation requirements. You may access the Course Catalog at <http://catalog.mtaloy.edu> for details and descriptions of each available course.

We do not yet have information about potential **Spring 2019** options, but we will share that information when it is available.

Please contact the HS office at (814) 886-8121 or email Mrs. Kalwanaski at kalwanke@pcam.org if you and/or your parents are interested in meeting with a Mount Aloysius College representative to get additional information or if you have any questions. You may also contact the Registrar's Office at Mount Aloysius.
