

UPDATE – March 24, 2020 – 8:45 AM

Good morning,

By now, most of you have had a chance to review the Governor's latest mandate and timelines related to school closures. Penn Cambria School District will remain closed through April 6, 2020. Under the current plan, schools will reopen for faculty and staff on April 7th and to students on April 9th pending further directives from the state. We know that these press releases and state directives can be confusing, but we understand how fluid these issues are and that can stress the ability to effectively communicate

The district is currently working on a plan to provide continuity of education for our students. We appreciate the quick responses from our faculty to Mrs. Black's survey. Your input is valuable as we develop a plan that is thoughtful and considerate to all of our learners and teachers. I encourage all of you to visit the Resources for Families tab on our District homepage. Also, watch our Twitter feed today for one activity, #PantherStories.

Our leadership team is unable to be working in our offices which also creates challenges. However, we are working remotely and continuing to collaborate to be sure essential operations continue.

Now that the school closure has been extended through April 6th, PCSD will continue to serve meals during the closure. Meals will be served on the following dates at PCHS from 11am-Noon:

Thursday, March 26th

Monday, March 30th

Thursday, April 2nd

Monday, April 6th

We continue to encourage everyone to continue to follow recommendations provided by the PA Department of Health and the CDC. Please stay home and stay well!

William W. Marshall

Superintendent

Penn Cambria School District
