

Pre K Counts Choice Board Week 1 March 30, 2020

Please use these suggestions to continue your child's learning at home.

Any work with letters, numbers and their name will prove to be beneficial!

The online resources will be familiar to the children and I hope your family enjoys them!

Letter T

When forming the letter T: tall down, slide across the top.

When forming the letter t: tall down, give it a hook, and slide in the middle

Rainbow Writing.

Using markers or crayons make a letter T and t with black, then have your preschooler trace over your letter with as many colors as they can. Practice the words "tall down, slide across" as your preschooler does this.

Rainbow writing can be done with any letter, and even your child's name!

Have your preschooler tell you about The Three Little Pigs or Little Red Riding Hood. Its been awhile so they may need help!

Ask these questions:

Who are the characters? Who is the story about?

(the pigs, mommy pig, wolf)

(little red, mom, grandma, hunter)

What is the setting? Where and when did the story take place?

They may say the woods and daytime for both!

Read any book and ask these questions!

Questions to ask:

Who are the characters? (who is the story about)

What is the setting? (setting is.....where and when)

Sensory play

If you have rice you can put it in a Ziploc bag, lay it flat on the table and have them trace their letters in it. This same bag can then be used for an I spy game by placing small objects in the rice and having your child search with them by saying "I Spy a red bead, or a marble" or anything you have around the house. Change the items to keep the game going!
