

3rd Grade

Choice Board Week 1

Shape Scavenger

Hunt:

Look for geometric shapes (octagon, circle, trapezoid, rhombus, square, rectangle) in your house or outside. Draw a picture of the shapes you saw and label them.

Multiplication:

Go to multiplication.com and click on Fish Shop to practice multiplication facts or make flash cards on paper/index cards or scrap cardboard and play memory and/or match game for those facts

Nature Walk:

Go outside and look for 3 nouns, 3 adjectives, 3 verbs (record on a piece of paper). Then choose one word from each column to make a good sentence.

Social Studies:

Write a letter to your teacher about how the quarantine has affected the way you live and play in your community. Tell your teacher some activities you have been doing.

National Geographic Kids:

Go to kids.nationalgeographic.com go to videos and watch Animal Show Downs draw/write about a fun fact you learned.

Science

- Watch the video Animal Groups By: James Bruhac on YouTube. (4:31) Draw one animal from each group and list 2 characteristics of each animal.

Social Studies:

Look up the Oregon Trail on the site www.Americanhistoryforkids.com Write five important facts about traveling the Oregon Trail and illustrate one. Also, write five important things you would want in your wagon.

Reading:

Read a book of your choice. Make 3-5 questions to go along with the book. Then read the book aloud to a family member and have them answer your questions.

Dice Games:

Roll three dice (twice) to get two 3 digit numbers. Add the numbers together to find the sum or subtract the numbers to find the difference. If you do not have dice you can use cards!

Language Arts:

Play charades with a parent or sibling. Write down nouns, verbs, characters, character traits, or book titles on paper and act them out for others to guess.

Educational Songs & Movement:

Jack Hartman musical videos for the Multiplying by 4 and Multiplying by 8 multiplication facts. Sing and dance while listening to them

Learning Website:

Go to <https://www.abcya.com> Click on 3rd Grade then play Out of Sight Words game to practice sight words.
