

Hey 4th Grade!

Here are some fun and educational activities for you to complete this week.

****Starting April 20, 2020, meaningful participation in some educational activity will be REQUIRED of all students in order to pass the 4th quarter. ****

To share your work, add a comment to the google classroom assignment or take a picture and send it to any teacher in your pod.

You can always type your work right into an email, too.

We are eager to see your work!

Your 4th Grade Teachers,

<p style="text-align: center;"><u>Be A Reader</u></p> <p>Find an usual spot to read. It can be in the bathtub (empty of course), under the kitchen table, or in a blanket fort that you build. Think about the setting of your book. How would the story change if the setting changed to an unusual place? Draw a picture.</p>	<p style="text-align: center;"><u>Mystery Number</u></p> <p>I am a number less than 100. Two of my factors are three and five. My digits are 1 apart. What number am I? Email a teacher with your guess.</p> <p style="text-align: center;">  </p>	<p style="text-align: center;"><u>Perimeter is All Around</u></p> <p>Measuring to the nearest foot, calculate the perimeter of three different rooms in your house. If you were to put border around the top of the walls in each room, which room would use the least amount of border? Take a picture of your work and show your thinking!</p>
<p style="text-align: center;"><u>Create it</u></p> <p>Use a paper plate, coffee filter, or construction paper to create a model of the earth. You can use paint, crayons, colored pencils, beads, glitter...Be creative!</p> <p style="text-align: center;">  </p>	<p style="text-align: center;"><u>Grammar</u></p> <p>There, Their, & They're They all sound the same but have different meanings. Write three sperate sentences using each word to describe a member of your family.</p>	<p style="text-align: center;"><u>Quotient Challenge</u></p> <p>What two numbers have a product of 48 and when the larger number is divided by the smaller number, a quotient of 3? Bonus: Can you think of a riddle on your own similar to this one and challenge a friend or teacher?</p>
<p style="text-align: center;"><u>Scholastic</u></p> <p>Earth day is Wednesday, April 22nd. Read or listen to the article at https://superscience.scholastic.com/issues/2018-19/040119/trash-collector.html#830L. Make a flyer to convince others in your community not to litter.</p>	<p style="text-align: center;"><u>Stay Connected</u></p> <p>Participate in a class Zoom meeting. Check back later in the week for Meeting ID and Password.</p> <p style="text-align: center;">  </p>	<p style="text-align: center;"><u>Field Trip</u></p> <p>Check out the moon! Visit this link https://www.youtube.com/watch?v=cz5Lkpbx7YE. After you're done watching, write 3 interesting facts that you learned.</p>
<p style="text-align: center;"><u>Science</u></p> <p>Watch the video at https://youtu.be/b25g4nZTHvM. Draw a picture of the position of the sun and earth during the summer. Draw a picture of the sun and earth during the winter. Explain how they are different.</p>	<p style="text-align: center;"><u>Nature Walk</u></p> <p>Go on an Earth Day nature walk and complete the earth day scavenger hunt. Use the page attached and see how many items you can find. Draw or take a picture of your findings and send them to a teacher.</p>	<p style="text-align: center;"><u>Writing</u></p> <p>If your favorite book character had to do online learning, what would their desk or workspace look like? Would Dog Man's desk be made of dog bones? OR would Junie B. have a framed picture of Philip Johnny Bob at her desk? Write to describe it!</p>
