

## Kindergarten Learning Activities – Due May 1, 2020

Each week, students are **required to complete the two reading and math activities on this page**. Share work with your child's teacher on Class Dojo Message or email, each week, for promotion to first grade. Any questions, contact your child's teacher through email or message on Class Dojo.

### **Mandatory Reading Activities**

1. Academic Talk – Comparing: Fold a piece of paper into three sections. Label sections morning, afternoon, night. Draw a picture of something you do at each time of the day. Talk about your drawings Tell someone about morning, afternoon, and night.

2. Changing Words/silent e: Write these words down one side of paper "tap, cap, rat, man". Read the short /a/ words. Now add a silent /e/ to the end of each word. This magic silent /e/ changes the vowel to the long /a/ sound. Read the new words "tape, cape, rate, mane". Complete the worksheets at the end of the Choice Board.

### **Mandatory Math Activities**

1. Teen Numbers – Look through newspapers or magazines and highlight (yellow crayon or highlighter) teen numbers. Remember they are two digits and start with "1" – 11, 12, 13, 14, 15, 16, 17, 18, 19.

2. Shape Walk – Take a walk through your house looking for basic shapes - circle, square, triangle, rectangle. Draw five of the things you find in your house that are these shapes.
