

# Mrs.Cattoi's Learning Activities – Due May 29th

For this last week of school I would really appreciate your help in collecting some data for me at home! I will send you a personal email for your child that explains exactly what you can do to help.

I want to say that even though we ended on a CRAZY note, I've had a great year getting to teach your children! I am excited to continue to work with them next year! They have both made a lot of progress and I can't wait to watch them continue to learn and grow.

Keep checking your emails for ESY information and any updates during this crazy time!

I hope you all have a wonderful summer!
