2020-2021 COMPUTERS AND RELATED EQUIPMENT BID

Instructions/Specifications/Bid Form

To assure the Board of Directors that all bidders are being offered an equal opportunity to bid and that all bidders are bidding on equal materials and conditions, the following must be adhered to. Any deviations shall be considered sufficient cause for rejection.

- This is a bid comprising and being administered by the Penn Cambria School District, (hereinafter "District").
- Under no circumstances shall these specifications be altered. The specifications and any brand names used are to indicate a minimum of acceptable quality, and if not stated "or equal" shall be implied. However, if a bidder bids an item(s) other than what is specified, he shall so indicate and the responsibility of proving that a substituted item is an equal to that specified in the bid specifications, shall be the duty of the bidder, not the District. Proof of an item(s) as being equal shall accompany the bid and be indexed to the item(s) as contained in these specifications. Any substitutions due to lack of availability and/or specification change must be equal to or greater than the item originally specified in this document.
- Under the 2020-2021 Computers and Related Equipment Bid, vendors may choose to submit pricing for one or more of the equipment categories:
 - a. HP Equipment or Equivalent
 - b. HP Docking Station and Related Peripherals (Or Equivalent)
 - c. Lenovo Laptop (or Equivalent)
 - d. 30-Bay Charging Cart (or Equivalent)

A bid for each equipment category must be complete and contain all of the requested items in the category or their functional equivalent. Any deviations from the requested specifications must be identified. The District will award bids for each equipment category independently.

- All bidders shall demonstrate units for or on which they bid to District personnel, when requested to do so by the authorized agent of the District.
- DELIVERY: Delivery of items proposed shall be the responsibility of the successful bidder. Delivery of all computers and related equipment must be no later than October 15, 2020 unless prior approval has been granted by the District. Cost of delivery shall be included in the bid prices proposal.
- No bids shall be permitted to be withdrawn after the time set for the opening of bids. All bids shall remain valid for sixty-five (65) days after the date set for opening bids. The District shall have a maximum of sixty-five (65) days from the date of opening bids for issuing notice of acceptance and the awarding of contract.
- All bids must be either typewritten or printed in ink on the enclosed forms and signed by an authorized representative of the bidder with the authority to bind the bidder. Unsigned bids will not be considered.

INSTRUCTIONS FOR NON-COLLUSION AFFIDAVIT

- This Non-Collusion Affidavit is material to any contract awarded pursuant to this bid. According to the Pennsylvania Antibid-Rigging Act, 73 P.S. 1611 et seq., governmental agencies may require Non-Collusion Affidavits to be submitted together with bids.
- This Non-Collusion Affidavit must be executed by the member, officer or employee of the bidder who makes the final decision on prices and the amount quoted in the bid.
- Bid rigging and other efforts to restrain competition, and the making of false sworn statements in connection with the submission of bids are unlawful and may be subject to criminal prosecution. The person who signs the Affidavit should examine it carefully before signing and assure himself or herself that each statement is true and accurate, making diligent inquiry, as necessary, of all other persons employed by or associated with the bidder with responsibilities for the preparation, approval or submission of the bid.
- In the case of a bid submitted by a joint venture, each party to the venture must be identified in the bid documents, and an Affidavit must be submitted separately on behalf of each party.
- The term “complementary bid” as used in the Affidavit has the meaning commonly associated with that term in the bidding process, and includes the knowing submission of bids higher than the bid of another firm, any intentionally high or non-competitive bid, and any other form of bid submitted for the purpose of giving a false appearance of competition.
- Failure to file an Affidavit in compliance with these instructions will result in disqualification of the bid.
