

Students Eat for **Free!**

All kids, 18 and under.

10-16-2020

Dear Penn Cambria School District Families,

Late last week, the U.S. Department of Agriculture announced that they are extending the FREE Breakfast and Lunch Program for all students through the end of the 2020-21 school year!

We will also continue offering meals for students to take home and enjoy on days when they are distance learning. We will provide a full breakfast and lunch that students can pick up on their designated day - all free of charge! We have also extended the free meals for weekends as well! We encourage all families to take advantage of this great program. Please see the link on the Penn Cambria webpage to place your order for meals when your student is not in the school setting or by calling 886.7753 x 1. You must sign up to preorder your meals each week and complete the form for each of your students. There are also two order forms - one for if your child is in the remote learning format and one specific for weekend meals.

We remain committed to providing students access to healthy, nutritious and wholesome meals while assuring the utmost food safety without compromising quality. Please feel free to contact me if there are any questions.

Regards,

Angela Focht
Food Service Director
