Penn Cambria Families,

While the Penn Cambria School District operates in a full virtual learning model, we continue to monitor the Covid-19 pandemic and how it is affecting our school community. It is still important to keep your school nurse informed of any Covid-19 related concerns that may be affecting our school community. This includes Covid-19 symptoms, positive Covid-19 tests, and isolation or quarantine status. Please contact the building your child attends to report any such concerns to that school nurse. All school building numbers are listed in the left margin. If you call the school after hours, please leave a detailed message and we will get back to you the following day. Additionally, information has been sent out regarding school nursing Zoom sessions, which are available for all families to take advantage of during this virtual learning time.

Thank you for your continued support and cooperation during this pandemic. Remember to stay healthy and safe!
