

STUDENT DROP OFF WAIVER FORM

Students in Pre-K through 4th Grade must have an adult or older sibling present at the afternoon bus stop. If an adult or older sibling is not present, the student will not be left off the bus. However, if you feel that your child is mature enough or if they have an older sibling that is getting off the bus with them, an exception can be made.

If you wish to waive this requirement and have your student dropped off without an adult or older sibling present, please check the box below, sign, date and return to McIlwain School Bus Lines. We will not approve this waiver for Pre-K or Kindergarten students.

Yes, I wish to have my elementary student dropped off without an adult or older sibling present.
