Dear Penn Cambria Students and Parents:

Welcome to the 2021-2022 school year! I hope you had a wonderful and safe summer and are ready for all the fun and excitement this school year will surely bring. Penn Cambria is an outstanding school district and you should be proud to call yourself a Panther.

I want to take this opportunity to introduce myself and our company as your new transportation provider. I am the third-generation owner/operator of McIlwain School Bus Lines. My grandfather started the business in 1947 and we provide student transportation exclusively in Cambria and Somerset Counties. I have had my school bus license for over 20 years and know the unique challenges our bus drivers face on a daily basis. It is both a fun and rewarding part time job.

As we transition from Wilkinson Bus Lines to McIlwain School Bus Lines, I cannot thank Mr. Wilkinson and his staff enough for the hard work and dedication they have put in to safely transporting your students every day. Our success is a direct result of the dedicated bus drivers, office staff and support we receive from the Penn Cambria administration.

You will notice very little changes this school year as it pertains to transportation. Our dedicated drivers remain the same, but with a few new additions. We welcome them aboard. The buses and routes remain the same, but the name on the side has changed. When calling our office, you'll recognize the same friendly voices. We ask that you remain flexible and patient-- especially during the first few weeks of school as we all adjust to the "back to school routine."

We are always looking for safe and reliable drivers to transport our students. If you, or someone you know, is interested in becoming part of our team, please reach out to us. We conduct training for both bus and van drivers and welcome the opportunity to talk to you.

On behalf of everyone at McIlwain, we look forward to being part of the Penn Cambria School District and will work hard to provide the same level of service and safety you are accustomed to.

If you would like to contact our office, please call 814-886-4600 or visit us online at mcilwainbus.com.

Sincerely,

Timothy D. McIlwain

President
