Penn Cambria

is in need of school bus and van drivers
**to safely transport
our students!**

WE ARE: Local, family owned, **Veteran owned.**

McIlwain School Bus Lines will provide all of the training. It is approximately 20 hours for all aspects of the training.

Driving a bus is not difficult and is actually fun if you enjoy kids. You become a safer driver as a result of the training.

Students are well behaved and our District administrators work hard in reducing disciplinary problems.

Be paid to drive bus and watch athletic events, visit new places on field trips and enjoy students having the ability to participate in fun events.

Daily attendance bonus, new and clean equipment, holidays, weekends and summers off.
