Mr. McCarthy congratulated Mr. Hartline on his appointment to the superintendent vacancy.

Mr. Hartline stated that he is honored and humbled to introduce himself as the next Superintendent of Schools for Penn Cambria.

“Obviously from being a product of this district, I understand a lot of the responsibilities that come along with the position and the current circumstances and challenges that face the district. However, I am honored to be in front of that project. I am going to work with the staff and students alike, and our community, to make sure we put our best foot forward, to continue the excellence that Penn Cambria has already established.

My wife and I were talking on the way here, and she asked who all was going to be at this meeting; I replied that I had no idea. Then, I walked in to see the administrators, teachers, and I won’t put her on the spot, but one of my Hollidaysburg teachers is also in attendance here this evening.

This is a nice warm feeling and family atmosphere that I am looking forward to. I am very happy and excited to be here and can’t wait to get started after finishing my responsibilities in Hollidaysburg. Thank you.”
