

**Laptops for School Use at Home
FCC's Emergency Connectivity Fund (ECF) -
Parent Permission Form**

As the parent or guardian of a Penn Cambria student that needs a laptop at home to help close the homework gap and to work on school-related activities, you are completing this form requesting a laptop for an active student at Penn Cambria School District. This laptop is being provided through the FCC's Emergency Connectivity Fund (ECF). **The laptop will be given to the Student at School to take home.**

The device will remain the property of Penn Cambria School District and is intended to be used by the student at home for school-related activities. If the student graduates or withdraws from Penn Cambria School District the laptop must be returned to the district on or before the student's last day.

The laptop will be inventoried electronically. If the device does not connect to the Penn Cambria inventory system you will be contacted for a physical inventory.

If you experience technical difficulties with the device, you can return the laptop to the Penn Cambria IT Department for an evaluation. Broken equipment will not be replaced. The ECF program at Penn Cambria is limited.

We hope this program will serve as a valuable resource for our families.

Thank you!
