

\$1,000 Stop the Stigma Scholarship

To qualify for the Stop the Stigma Scholarship, applicants must be a high school senior and be accepted into a college, university, or trade school with an intended area of study that may be considered a “helping profession” (healthcare, education, public service or related field).

All applicants must submit the following:

- ◆ A completed Stop the Stigma application
- ◆ A copy of your senior picture or recent school photo
- ◆ Proof of college, university, or trade school acceptance
- ◆ A typed 500-1,000-word essay that describes:
 - Why you are pursuing your intended “helping profession”
 - How you believe you can help Stop the Stigma around mental health within your chosen profession

Applications will be accepted from February 1st through April 1st, 2026. Applicants should submit qualifying information and/or questions via email to susan.labruzzo@uhsinc.com. Visit us online for application and more details: <https://clarioncenter.com/resources/news-events/>.
